## System\_Presents\_Cadenza Luciano\_Cesar Merveille

As the winter draws in and the nights become dark and long, System brings an intimate Cadenza showcase to Leeds. Join us on November 5th for a night of top quality music and extended dj-sets as we take a journey through the Cadenza spectrum courtesy of Cadenza boss Luciano and rising star Cesar Merveille.

## Flyer Design

The flyer design is split into two main sections. The left section features a vibrant, abstract background of orange and yellow light trails against a dark space-like background. At the top left, it says 'system. Cadenza Showcase'. In the center, the names 'Luciano (Cadenza, Chile)' and 'Cesar Merveille (Cadenza, UK)' are prominently displayed. At the bottom left, it specifies 'Saturday November 05'. The right section has a dark background with white text. It starts with 'system\_presents\_Cadenza Showcase' and includes a short bio for the event. Below that, it features the name 'Luciano (Cadenza, Chile)' with a small circular logo, followed by a paragraph about his career. Then, it features 'Cesar Merveille (Cadenza, UK)' with another paragraph about his work. A bold notice reads '\*\*PLEASE READ\*\* Tickets will first go on sale for this event on the 1st of October at System with Rhadoo & 2000 and One to ensure our loyal system followers don't miss out, due to very high demand. Tickets available at the front desk in Mint Club. Cash only no booking fee.' At the bottom, there are logos for 'system.', 'the MINT club', and 'FUNKTION ONE', along with contact information for residents, tickets, and online sales.
